5. Colour ● for the actions that pollute air and water.

6. Oral Questions

a) Your class visits a park. Share one rule to keep the park clean.

b) What is the difference between domestic and wild animals?

7. Project

a) Observe 3 small creatures at home and write their names. Tick (✓) how they move.

Animal	Walks	Crawls	Flies	Hops

b) Find an object at home that is made from soil and draw it. Tell your teacher what it is and how it is useful.
