Let us Do

THB

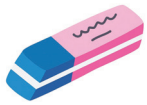

Arrange the children in two groups. Give them some clay and a few objects in the shapes of a cube, cuboid and cylinder. Ask one group to press any one object on the clay. Ask the other group to identify and name the shape formed by the imprint.

Let us Practise

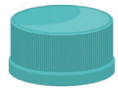

Make an imprint of the given objects and write the names of the shapes obtained.

.....

.....

.....

Let us Explore

1. Which object cannot make a circular shape by making an imprint?

2.Which of the following is a rectangle? Why?
