Activity Time

Seperate the cereals and pulses and name them.

Ingredients like rice, ragi and wheat are used to make our main dishes.

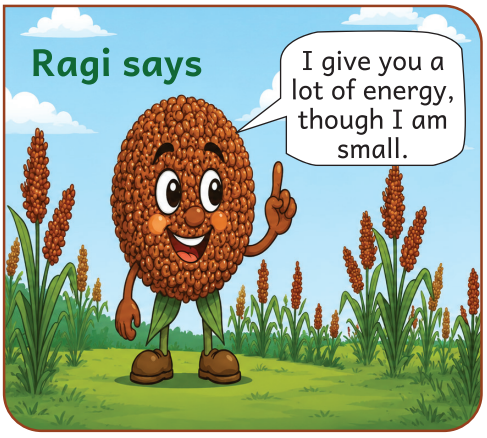

Which ingredient in your kitchen is used to make the most dishes?

One main ingredient makes a variety of dishes with different tastes.

Put a star (★) for your favourite items and a tick (✓) for your friend's favourite items that are made with Ragi.

Ragi Adai ☐ ☐

Ragi Pittu ☐ ☐
