Healthy Snacks

Can healthy food be tasty too?

Observe and Discuss

Home made snacks with healthy ingredients are also delicious.

Activity Time

1 Soak green gram seeds in water for 3 to 4 hours.

2 Drain the water.

3 Tie the seeds in a cotton cloth and keep it overnight.

4 Next day, sprouting begins.

5 Fully sprouted seeds

THB Support the children to sprout green gram, make a salad and share it in class.
