Do and Learn

1. Circle the correct shadow of the animals.

2. Observe and draw.

Morning – 10:00 a.m.	Afternoon – 1:00 p.m.	Evening – 3:00 p.m.
Flag post		

When do you see the shortest shadow in the day? _____

THB

Ask students to observe the school flag post and draw the shadow.

Do you know?
Before clocks were made, people used a sundial to tell the time based on the shadow.
