

Song Time

Each Fine Day

Out in the playground, each fine day
With the ball, I like to play.
I bounce the ball, I kick the ball,
I like to play each fine day.

Out in the garden, each fine day
With my friends, I like to play.
We run and skip, we slide and swing,
We like to play each fine day.

Out on the seashore, each fine day
With my kite, I like to play.
I fly my kite, I pull my kite,
I like to play each fine day.
