Learning Check

1. Circle the correct shadow.

2. Look at the picture. Write the type of wind.

(Strong wind, Breeze)

---

3. Mary says: Rain → Tap → River → Overhead tank

Write the correct order.

_____

4. Draw one source of water you see near your home.

(Tank/Tap/Well/Tanker/Borewell/Handpump)

What I Learnt

- I know that light forms shadows.
- I can record the changes in shadows at different times.
- I name the different kinds of wind.
- I can name the different sources of water for our homes.
- I follow the ways to keep air, water and soil clean.
