Let us Learn

Have you ever seen tracing around an object, as shown in the picture?

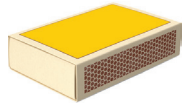

Let us Practise

Trace around the given objects and write the names of the shapes obtained.

....

Let us Explore

1. Are the shapes got by tracing all the edges of a dotted cube the same? Give reason.

2. Are the shapes got by tracing all the edges of a matchbox the same? Give reason.

3. Kabilan traced around an object and got a square. Which object would he have traced?
