6. Remaining Colour Pencils

Let us Learn

Shall we help Venmathi find out how many colour pencils Saran had taken to the drawing competition?

RB1CI

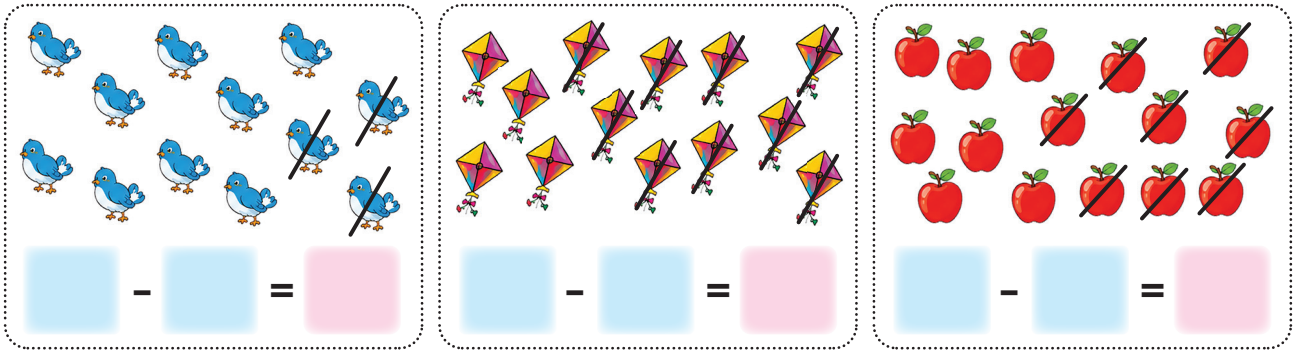

THB

Discuss the above situation with the children. Encourage them to recall subtraction of single digit numbers (within 20) which they have learnt in class 1 to find the answer.

Let us Practise

Observe the pictures and complete the subtraction fact.

Count backwards and subtract.

14	12	16	15	12	13
