2. Look at the two palmyra trees. In which tree will you draw the bunch of palmyra fruits? - Think and answer!

- Help children understand that without leaves, a plant cannot prepare enough food and may not grow fruits.
- Prepare mint tea in class.

Do and Learn

1. Let us prepare and drink mint tea!

Did you like the mint tea? Colour.

Do you know?

1. A cabbage is made up of many layers of leaves.

2. Dried and old leaves become manure.
