Suddenly, a puppy comes out of the bush.

The puppy wags its tail.

The ball is in its mouth.

Everyone laughs.

They play again.

The puppy joins them.

Practice Time

Why did the puppy take the ball? Talk about it.

⇦ I want to play.

⇦ I like the ball.

⇦ It is my toy.

⇦ It is fun.

⇦ I want friends.

⇦ I am hungry.

Let children talk in pairs about why the puppy took the ball.
Allow them to be creative and write a sentence in the bubble.
They can choose one from the list too.
