4. What Next?

Let us Learn

Have you ever seen numbers appearing in a fuel filling machine in a particular order?

Have you ever seen numbers appearing in traffic signals in a particular order?

Ask the children to observe the pictures. Through discussion and questioning make them say the numbers counting forward and backward.

Let us Do

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20

Write the numbers upto 20 on the floor. Ask a child to stand on a number. On saying count forward the child has to jump and tell the numbers counting forward and saying count backward the child has to jump and tell the numbers counting backward.

Let us Practise

Write the numbers by counting forward.

21	22	23							
50	51	52							
89	90	91
