

Let us Practise

Circle the greater number.

37	54	82	28	69	96	79	97
58	52	73	77	86	89	99	90

Circle the smaller number.

70	80	84	48	19	91	98	89
69	62	78	71	89	85	98	99

Complete the number chart and do as instructed.

1		3		5			8		10
	12				16			19	
21			24			27			
		33						39	
41				45					50
			54				58		
61					66				
		73							80
	82							89	
91				95					

(i) Colour the numbers between 75 and 83 in pink.

(ii) Box the number that comes before 89.

(iii) Underline the number that comes after 45.

(iv) Circle the number bigger than 98.

(v) Colour in green the two-digit numbers that have the same number in both the tens and ones places.
