2. Project: Water Usage

How much water do I use in one day?

Number of  of water needed for:

Bathing : ____

Brushing : ____

Toilet : ____

Washing hands : ____

Number of  of water needed for:

Drinking : ____

Encourage children to record this on a holiday.

3. Music in Water

- Keep two glass tumblers on the table.
- Fill them with water as shown in the picture.
- Tap the tumblers with a pencil.
- Listen to the sounds.
- Are the sounds different?

Tumbler	Loud sound (✓/×)	Soft sound (✓/×)
Less water		
More water		

Do you know?
Water xylophone is a musical instrument that makes sounds using bowls filled with water.
