Song Time

Little Bird, Little Bird

Little bird, little bird,
on the tree.
Flap your wings,
one, two, three.

Little bird, little bird,
hop, hop, hop!
Sing a happy song,
chirp, chirp, chirp!

Little bird, little bird,
peck some grain.
Drink some water
and peck again.

Little bird, little bird,
fly, fly, fly!
Fly up high,
to touch the sky.

Little bird, little bird,
back to the nest.
Back to the nest,
to get some rest.

THB

Sing the song aloud with actions.
Ask children to follow your actions.
Encourage them to sing along with you.
