Let us Do

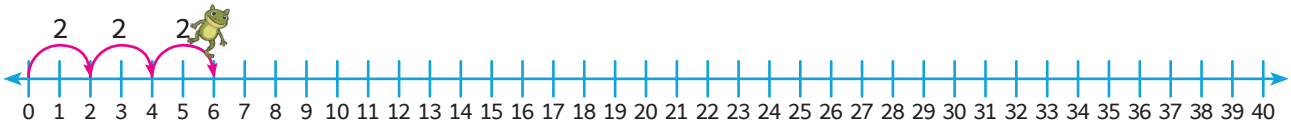

THB

Place number cards 0 to 20 on the floor in a line. Ask one child to place a certain number seeds on the number line by jumping in equal steps (e.g., in 3s). Ask another child to say the numbers where the seeds are placed. Repeat the activity changing the size of the jumps both forward and backward, to strengthen skip counting.

Let us Practise

Skip jump forward on the number line and complete the boxes.

0	2	4	6							

0	3	6								

0	4	8								

0	5	10
