Leaves

Observe and Discuss

Hello, children! Let us play the **"Leaf Says"** game.

Leaf Says – Action	I observed...	My leaf
Look at your leaf carefully.	**Colour:** light green / dark green / yellow / other	
Touch your leaf gently.	**Texture:** smooth / rough / thin / thick	
Smell your leaf.	**Smell:** no smell / mild smell / strong smell	
Observe the size of your leaf.	**Size :** small / medium / big	
Observe the top end of your leaf - tip.	**Tip:** pointed / rounded 	
Observe the shape of your leaf.	**Shape :** long / narrow / broad  round / oval / heart-shaped 	
Observe the edge of your leaf.	**Edge:** smooth / toothed / wavy 	

Leaves are the green part of most plants. They have different shapes, sizes, colours, textures, smells, edges and tips.
