⭐ Do good eating habits make a difference?

2. Read the story and discuss.

Deer looked at the sun.
"It is time to eat," he said.

Why is it good to eat on time?

Rabbit ate very fast. He did not taste the food. He wasted a lot on his plate.

Why did Rabbit's stomach feel heavy later?

Squirrel shared nuts with Bird, who had nothing to eat.

How did Squirrel make Bird feel?

Tortoise chewed slowly and enjoyed each bite. He said, "Food tastes best when we chew well."

What happens when we chew well?

Deer picked up his lunch but started watching his mobile phone while eating.

Is this a good habit?

"Deer, keep your mobile away. Eating together is more fun", said Squirrel.

Then enjoyed the meal together.

How did they feel when eating together?

THB Help children relate the story to their own mealtime habits.
